Dear Gina,

I am writing to inform you that as of the 1 October 2008, I will be commencing a new role within the Swindon Senior Management Team. I will be in command of Operations, which incorporates our twenty-four hour policing capability including response teams, Neighbourhood teams, Criminal Investigation Department, the priority crime teams investigating burglary and vehicle crime and our Custody Department. With effect from this date, Superintendent Kevin Maidment will take over from me and assume the Partnership command.

It has been a great pleasure working with you and both on a personal and professional level, I am grateful for your support in working towards making Swindon and Wiltshire the safest County in the country, a vision that we are hoping to realise collaboratively. The Partnership structures in Swindon are renowned regionally as being robust and progressive and have firm foundations built through the strong professional relationships that we have formed.

I invite you to pick up where we left off in your relationship with Superintendent Kevin Maidment, who is well versed in working with Partnerships, having previously held a corporate role in managing Community Safety on behalf of Wiltshire Police.

Whilst I recognise I will be changing roles, I do not consider this is the end of our professional working relationship and if I can support you in your role then please do not hesitate to contact me at any stage at Swindon Police Station.

May I take this opportunity to thank you for your support, guidance and direction over the last six months and I wish you every success for the future.

Yours sincerely

Kier Pritchard
Superintendent, Partnerships
